**STIPULATION TO EXTEND MOTION FILING DEADLINE**

Because there are pending motions, to wit, Sealed Motion to Suppress[469] and Motion to Dismiss[487] which will be argued before this Honorable Court on September 15, 2021, the United States Government, by and through its attorneys and Defendants, by and through their attorneys, do hereby stipulate and agree that the motion filing cutoff date for all remaining pretrial motions, other than motions in limine, currently set for August 31, 2021 shall be extended 60 days after this Honorable Court enters its rulings on the above cited pending motions. Because the date of the Court's rulings on the above cited motions is uncertain, the parties further agree that after the Court enters its rulings on the two pending motions, the parties shall then file a stipulation selecting a date certain to file all remaining pretrial motions.

Respectfully submitted,
